

GLUTEN-FREE WAFFLE MIX

Yields: 10 large or 15 medium waffles

For 2 large or 3 medium waffles:

- 110g (about 3/4 cups) gluten-free waffle mix
- 1/4 cup + 1½ tablespoons whole milk
- 1 large eggs, room temperature, separated
- 1½ tablespoons melted unsalted butter
- ¼ tsp vanilla extract

1. Scoop waffle mix to a medium mixing bowl and set aside.
2. With hand mixer, whip the egg whites to stiff peaks form, about 2-3 minutes and set aside.
3. Whisk remaining wet ingredients in a measuring cup and whisk into waffle mix until just combined, but some lumps still remain. Fold the whipped egg whites into the batter until *just* combined.
4. Let batter rest while you preheat waffle iron. Pour 3/4 cup batter into lightly greased waffle iron, and cook according to manufacturer's directions. Repeat. Serve warm waffles with your favorite toppings!
